

THE DESIGN PROCESS

interior design services

As designers, architects, and builders, Terracotta is interested in bringing quality design, to each client, one house at a time. We have the expertise to help with both the exterior and interior of your home and how it all comes together. Terracotta takes an overall approach that unifies the design starting from the landscaping and curb appeal of your home to the fine interior details of lighting, colors, and furnishings.

INTERIOR DESIGN SERVICES: \$155/HR

Whether it is color correction or a full makeover, every home needs a little updating from time to time. Our designers can help you create new color palettes, place furniture and select the right pieces to complete your look. We can also address how to improve your kitchen and bathrooms from a delicate touch to a major overhaul! Here is a list of services that we can help you with:

- Finish & Color Selections
- Custom Furniture Design
- Fabric Selection
- Art Selection & Placement
- Space Planning
- Furniture Selections
- Furniture Layout
- Window Treatment Design
- Accessories Selection
- Lighting
